

Holy Mary of the Family Church

Located in the heart of Ciudad Cayalá in Guatemala City, it was entrusted by the Archdiocese of Guatemala to priests of the Prelature of Opus Dei.

The first stage of the Church consisted in the construction of the Chapel of the Santa Marie Reina de la Family Church, the first liturgical celebration being on July 6, 2014.

On August 15, 2019, the construction of the second phase begins, which consists of the Santa Marie Reina de la Family Church, which contains a dome of immense size and in 200 years' no one like it has been built in Guatemala.

We seek to make known the love of God in Guatemala as a foundation in communion and participation, in order to invite the faithful to have a relationship with Him, transform themselves and receive new life from the saving action. We dream of a Guatemala where people work and develop in the spiritual, personal and social areas. A country where the Catholic faith is known and respected, being the core of believing families.
